Cancellation and Refund Policy for Risitibox App Subscription

At Risitibox, we value your satisfaction and strive to provide you with the best experience possible. Our subscription model is designed to offer flexibility while ensuring transparent terms for cancellations. Please review our cancellation and refund policy below:

Cancellation:

Subscribers have the right to cancel their Risitibox app subscription at any time. Cancelling the subscription will prevent any further charges from being applied to your account for subsequent billing cycles. Please note that cancelling your subscription will not entitle you to a refund for the current billing period. You will continue to have access to the app and its features until the end of the current billing cycle.

Refund Policy:

We regret to inform you that we do not offer refunds for cancelled subscriptions. Once a subscription is cancelled, the subscriber will not be billed for future billing cycles. However, no refunds will be provided for the current billing cycle, and access to the app will continue until the end of the paid period.

Process for Cancellation:

To cancel your subscription and prevent future charges, please follow these steps:

1. Log in to your Risitibox account.
2. Navigate to the Subscription section in your account settings.
3. Follow the prompts to cancel your subscription.
4. Your subscription will be active until the end of the current billing cycle, after which no further charges will occur.
